Tuesday 10/2: Library review assignment report is due on 10/9 by 1:00 p.m. There will be no class on 10/2.

Assignment: Based on the two films you saw and discussed and the article you read and discussed please provide a two page summary of the following information:

Describe your understanding of the people who have no health insurance; who are they; where do they come from; what type of healthcare services do they need; will information technology be of benefit to these people; what do you think should be done about this and will this affect you.

Submit electronically as noted.
