You are invited to attend the poster presentations of freshman students enrolled in *GSU 1010: New Student Orientation*. Students have created poster presentations on topics they have been researching and writing about in *ENGL 1101: English Composition I*.

Research topics include:

- Do college students need credit cards?
- Should freshmen students be required to complete alcohol, drug, and sexual assault education activities?
- Should political science courses be required of all college students?
- Is Attention Deficit Disorder over-diagnosed?
- Are study abroad programs beneficial for all university students?
- Should the United States pass/adopt the Dream Act?
- Should community service be mandatory for high school and college students?

You are invited to stop by to view students’ posters, ask questions, and engage in dialogue about these interesting research topics. Refreshments will be served.

If you have questions, please contact the instructor, Sharon Cavusgil, at scavusgil@gsu.edu or 404-413-5183.
