Today is the first day of your new job as a congressional aide to Senator Diane Feinstein, who sits on the U.S. Senate Committee on the Judiciary: Immigration, Borders Security and Citizenship Committee. She will be attending hearings on the following topics in the next few weeks and needs to quickly get up to speed. Your assignment is to produce a list of sources on the topic, using the following guidelines. As this is your first assignment for the Senator, you, of course, want to do a great job and make certain your spelling and grammar are correct and citations are perfect.

Choose one of the following topics to research:

1. Foreign Intelligence Surveillance Act: Does the Protect America Act protect civil liberties and enhance security?
2. The Immigration Reform Bill (S.1639): which issues concern Congress?
3. Illegal workers: Do they help or hurt the economy in the US?
4. The Development, Relief and Education for Alien Minors Act (the Dream Act)
5. Are local ordinances barring “illegal aliens” housing preempted by Federal law?
6. Is the U.S. policy on the treatment of “undocumented workers” discriminatory?

Or, you may want to examine immigration policy on a global perspective:

7. Global Immigration Issues: Are new policies fundamentally changing the make up of these countries?

   - Ireland
